URINAL / PRIVACY SCREEN – WALL MOUNTED

The Wall Mounted Privacy Screen appears to defy gravity and gives a sense of extra space with the floor being visible. It is perfectly suited to high-traffic areas that are cleaned often and can be made in over 7 materials in hundreds of colours and finishes.

Urinal Dividers are an important fixture in the commercial washroom environment. TPI offers its own range of Privacy Screens that can be used as Urinal Dividers and as room dividers for visual privacy.

Our Privacy Screens (Urinal Dividers) are based on our most popular Cubicle designs and come in a wide range of colours and materials all suitable for use in commercial washrooms, including public toilets, schools, office environments and many more.
